

Thanks for signing up to participate in Live Nativity - Winter Wonderland this year!!!! Live Nativity will be part of the Winter Wonderland Carnival this year on the Round Rock Campus Friday **December 1st from 5-9pm**. We will be performing a Live Nativity show every 30 minutes.

A FEW THINGS YOU NEED TO BE AWARE OF:

- Auditions are at your church campus Sunday 10/1 from 12-2pm
 - Your child will either be cast for a role in a nativity or as a singer/dancer in the choir, but all kids that audition will have something to do with nativity.
- Casting decisions will be emailed to you no later than 10/12
- Rehearsals will be Wednesday nights 10/18-11/29
 - Everyone from 6-7pm
 - Nativity Cast Actors from 7-7:30pm

Auditions will be held on Sunday, October 1st directly following 2nd service (12pm).

The lines they will be asked to recite are on this form. If your child wants a MAJOR ROLE they need to memorize the lines below for their audition. If your child doesn't want to memorize the lines they can simply read it the best they can and will get a MINOR ROLE or CHOIR.

Following the audition lines is a list of parts with a short description of what is required for that role. Review this list with your child and have them decide their preference to tell the audition team. Please discuss with your child that this is not a guarantee of this role, but if possible their preference will be considered. Please print and bring the form below to auditions with you (if you don't have a printer we will have blank ones you can fill out day of)

Bring this completed form to AUDITIONS - one per child

Please be aware that auditioning for a role in Live Nativity means that you are prepared to bring your child to weekly practices on Wednesday evenings at our church campuses as well as the PERFORMANCE on Friday evening, December 1st at the Round Rock Campus Winter Wonderland Event.

Please prepare to RECITE this line MEMORIZED if you want a Major role or simply read it well for the other parts.

God's amazing plan to save us from our sins started WAY back in the very beginning of time. The moment sin entered the world — God's plan to restore us began. Christmas is about celebrating the birth of Jesus, but there's so much more to His life! He was born, but He also lived a perfect life, died, and rose again so that our lives could be transformed through a personal relationship with Jesus Christ.
