Journey through the Bible.

About the GO! Preschool Scope and Sequence:

The GO! Preschool Scope and Sequence begins in August and takes preschool children on a chronological journey through the entire Bible. Kids will see and experience that God's story of grace and redemption through His Son, Jesus, is told both to people and through people.

Kids will discover that God has invited them to be His people and to share His story with the world. God's plan for salvation is introduced in bite-sized, age-appropriate ways throughout the journey.
